

FUTURE DIRECTIONS IN HOSPITAL DESIGN

Government
of South Australia

Department of Health

Presented by Asset Services,
Department of Health

We would like to acknowledge this land
we meet on today is the traditional
lands for the Kaurna people and that
we respect their
spiritual relationship with their country.

We also acknowledge the Kaurna
people as the custodians of the greater
Adelaide region and that their cultural
and heritage beliefs are still as
important to the living Kaurna people
today

Future Directions in Hospital Design
