

Reverse Mortgage Holders*

**We Want
to Hear
From You**

*Reverse mortgages are a loan that enables older homeowners, to use their home's equity without selling their home or moving from it

We are researching the experience of Senior Australians who are contemplating or who already have a Reverse Mortgage on their home.

We want to hear about the perceived benefits of these products and the impact of equity release in funding retirement.

We are offering the opportunity of discussion groups which will take about an hour, in accessible venues at the following locations:

Sydney – Monday, 11 May - 11 am
Newcastle – Wednesday, 13 May - 11 am
Hervey Bay – Friday, 15 May -1 pm

Brisbane – Monday, 18 May -1 pm
Melbourne – Wednesday, 20 May -1 pm
Perth – Friday, 22 May -1 pm

All focus group participants will receive a \$20 Coles/Myer voucher to cover all out of pocket expenses and as a thank you for participating.

Please call 1800 305 486 (free call) to express your interest and get local venue details.
