

## CHAA Health Assets and Facilities Management References

### PUBLICATIONS LINKS

#### Introduction

This is an introductory reading and reference alphabetical list of resources available online for books, journals, magazines & newsletters on general facility & health facility design, planning, maintenance and management.

Individual (non-serial) reports, booklets or monographs are generally excluded. It is provided as an annotated bibliography with original source notes or annotations by CHAA staff [Notes] via the Centre for Health Assets Australasia (CHAA) website [www.chaa.net.au](http://www.chaa.net.au) and subject to change without notice as new content occurs.

#### Links
